EDUCATION

Auburn University; Auburn, AL   **May 2020**
Bachelor of Science in Computer Science
Minor in Business
Overall GPA: 3.35

EXPERIENCE

J.B. Hunt; Lowell, AK   **June 2019 – August 2019**
Applications Development Intern
- Gained experience with Angular while working on the carrier 360 application
- Built on existing React experience building elegant frontends
- Developed API services with Spring Boot, JPA, and Hibernate
- Enhanced my developing expertise by learning Docker and Kubernetes

The Hotel at Auburn University; Auburn, AL   **September 2017 - Present**
Banquets Bar Tender | Server
- The hotel environment builds strong team communication skills
- Banquet serves go through a six-phase training process to become certified in the department
- I bar tend many events at the conference center and other cater out locations
- Conduct thousands of interactions each week

Pen Air Federal Credit Union; Spanish Fort, AL   **August 2014 – December 2015**
Member Advisor II
- Universal employee and could conduct anything from a simple teller transaction, to consumer or HELOC loan
- Strongly maintain monthly goals
- Consistently surpassed my goal by $130,000
- Accumulated marketing experience during a brand change of the institution's logo
- Upon yearly review, I totaled $1.25 million in loans in just over 9 months
- Indubitably went above and beyond the needs of my consumers
